## Who we are

Land of Israel Support Committee is a grassroots pro-Israel organization. It was established in the spring of 2002 by concerned individuals of the Greater Boston area as a response to continuous terrorist attacks on Israeli civilians by Arab terrorists.

The mission of the Land of Israel Committee is to organize Boston Jewish Community in support of Israel's right to exist as a Jewish State in peace and security.

LIC educates public about history, facts, and current events in the Arab-Israeli conflict, organizes demonstrations in support of Israel and fights Anti-Israel propaganda of the media and local pro-Palestinian groups.

## Previous LIC Actions

- Rallies against terror and against the "Road Map" plan
- Lectures by Zionist leaders (Minister Benny Elon, Rabbi Pinchas Polonsky, Shmuel Sackett, Council-General Hillel Newman)
- Memorial events and demonstrations for Victims of Terror
- Protests against NPR's biased coverage of Israel
- Pro-Israel Community Activism Training Sessions
- Charitable concerts to benefit Israel
